SEBASTIÁN DÍAZ PEÑA
WEB FRONT-END DEVELOPER

I'm an honest and responsible person with 6 years of experience developing sites and +3 years of work with marketing agencies, helping their clients to bring website projects to reality and designing images for social media. I have skills for web design, web development and brand identity. I also like to learn new things by myself and I'm always looking for ways to up my game in the web experiences I create.
